

Memo

A recent review of our finished goods inventory revealed that we are over-stocked on some items. Attached please see a list of these items. The list includes Tri-Star Part Numbers, Cross-Reference Numbers and/or Descriptions, Quantity and Price per M Pieces.

As part of this package, Specification Drawings are included for your visual review of each item. The guidelines for purchasing these items are as follows:

- ❖ Minimum order is 1,000 pieces and \$125. Items can be combined to reach the \$125 minimum invoice charge.
- ❖ Prices are based on a limited time offer, as “over-stocked” items, excess to our needs
- ❖ All items are subject to prior sale, on a first come – first served basis
- ❖ Pricing and orders are based on one delivery of the order quantity
- ❖ Pricing expires upon inventory depletion or on December 31, 2010
